To Whom It May Concern:

This will confirm that Ena hosted a successful radio program on CIQC AM-600 in Montreal during 1998 and 1999.

The program dealt with personal advice to listeners that were experiencing problems. Ena's sensitivity, insight and compassion helped her to develop a loyal following on the program.

Unfortunately for fans of "The Ena Experience" the format of the radio station changed to all-news, leaving no room for "talk" programming of this nature.

I wish Ena and those who associate with her nothing but success in the future.
