To Whom it may Concern

I am writing to confirm the success of presentations with The Ena Experience at Chapters. We have had the pleasure of having Ena do motivational seminars and presentations at both of our Montreal Chapters locations over the last 12 months.

Ena's events always draw a great number of participants and she has many fans who look forward to her appearances here. Her Chapters events are unquestionably a success. Ena has a remarkable facility for connecting with people and clearly enjoys these public appearances. She gives a great deal of herself to the people who attend these events and we look forward to having her at Chapters again in the future.
